Dear Madam Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed agreement for the export of defense articles or defense services in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to Japan to provide continued support for the manufacture of fuel control devices for the Japanese Ministry of Defense's F-15J aircraft.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Michael C. Polt  
Acting Assistant Secretary  
Legislative Affairs

Transmittal No. DDTC 017-09

The Honorable  
Nancy Pelosi,  
Speaker of the House of Representatives

DEPARTMENT OF STATE  
TRANSMITTAL NO. DDTC 017-09  
CERTIFICATION OF PROPOSED ISSUANCE OF AN EXPORT  
LICENSE PURSUANT TO SECTION 36(c)  
OF THE ARMS EXPORT CONTROL ACT

(1) Foreign Country or International Organization to Which Export Will Be Made:  
Japan

(2) Dollar Value of the Proposed Export:

(a) Current Notification Value: \$144,500,000

(b) Total Value: \$500,390,000

(3) Description of the Transaction:

(a) Current Notification Scope: Honeywell International Inc proposes to amend an existing manufacturing license agreement with Ishikawajima-Harima Heavy Industries Co. Ltd., now doing business as IHI Corporation, and Itochu Corporation for the continued manufacture of fuel control devices required for the F-100-PW-200E engine utilized by the Japanese Ministry of Defense in its F-15J aircraft. There is no change in the overall scope of the agreement as previously notified.

(b) Total Scope. This program was previously notified pursuant to 36(c) of the Arms Export Control Act under DTC 32-02 (total value at time: \$272,390,000) and DTC 006-08 (total value at time: \$355,890,000). The total scope of the contract with the proposed increase will be \$500,390,000. The increase in value is to capture an overall increase in the value of the agreement due to an extension of the business arrangement. The proposed amendment adjusts the termination date from May 31, 2012 to May 31, 2018.

(4) Offset Arrangement: None

(5) Authorized Sales Territory: Japan

(6) Date Notification Delivered to Congress:

NOTE: This report, although unclassified, is derived from information submitted to the Department of State by the applicant, which is subject to the confidentiality requirements of section 38(e) of the Arms Export Control Act. Disclosure of an applicant's prices and customers could result in competitive injury.
